PROFILE

I am a front-end developer with a strong foundation in JavaScript, HTML, and CSS, specializing in modern frameworks like React.js and Next.js. I graduated from the Faculty of Science, Physics and Computer Science Department at Ain Shams University in 2023. Over the past two years, I have focused on strengthening my front-end skills through self-learning, technical training, and hands-on projects. I am passionate about building responsive, user-friendly web applications, and I am eager to start my first professional opportunity as a Junior Front-End Developer.
